

Plan Your Project

Using the Kitchen Box Cabinet Guide, mark the position of the units including the position of the fridge, sink, stove, range hood and also the doors and windows.

IMPORTANT: If at any point you need help bring your measurements and ideas into our showroom and one of our consultants will be more than happy to help you.

DESIGN CHECKLIST:

Include the items on this checklist to help us achieve an accurate quotation.

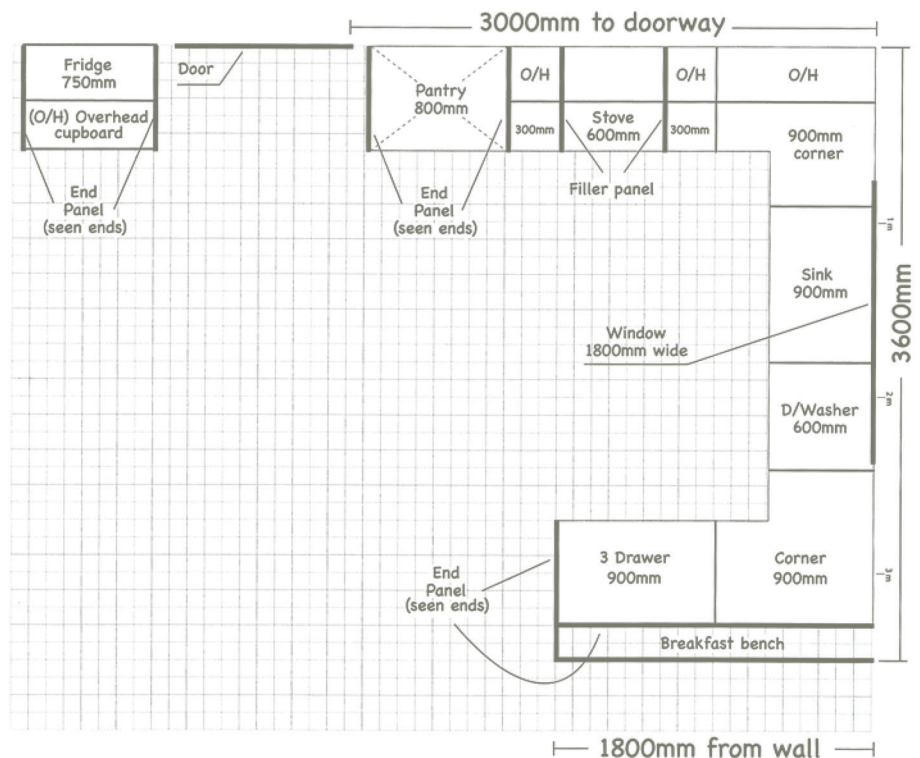

- | | | |
|--|--|--|
| <input type="checkbox"/> Wall measurements | <input type="checkbox"/> Appliance positions | <input type="checkbox"/> Overheads |
| <input type="checkbox"/> Cabinet positions | <input type="checkbox"/> Window & doors | <input type="checkbox"/> Seen ends/Filler panels |
| <input type="checkbox"/> Drawers | <input type="checkbox"/> Fridge | |

When completed your plan could look like this:

Standard measurements

Standard Benchtop
Depth: 600mm

Breakfast Bar / Island
Bench
Depth: 650mm to 1150mm

TIP: Stove tops should be placed a minimum of 250mm away from a side or pantry. If you need any help, don't hesitate to contact one of our instore consultants

All designs and cabinets are custom made

Plan your kitchen

Using the graph page below, plan and mark out the layout of your kitchen.
